Bullying

- Bullying is very often in school. Victims can be targeted for their race, gender, or religious beliefs.
- Bullies torment their victims hitting, humiliating them inventing gossip.

Cyberbullying

Social media allows bullies to torment their victims easily. Online, bullies can't hurt physically but they hurt the victims psychologically. Victims suffer self-esteem problems, anxiety and depression and could commit suicide.

- In Social network bullies can use a fake name to torment their victims anonymously.
- Bullies torment their victims
- -spreading lies about or posting embarrassing photos of someone on social media
- -sending hurtful messages or threats via messaging platforms

In case of bullying the best thing to do is talk with an adult about it. Also exist some campaigns to prevent. In Canada a boy was being bullied for wearing a pink shirt. By that was born an event known as “Anti-bullying Day” where boys and girls wear pink shirts.
